When you select “Clean Footprint” materials for your booth we will use only materials that can be reused or recycled. All flooring, lighting, furniture, and booth structure will go back into inventory to be reused again. Your personalized graphic panels used in the booth will be printed on reusable and 100% recyclable substrate such as Freeman honeycomb, convor board and reboard. Using a Freeman rental unit includes 100% recyclable aluminum in the structure and virtually eliminates your shipping footprint and carbon emissions.
